

TECHNOLOGY SYMPOSIUM

SCHEDULE AND PRESENTATIONS

SFPE GREATER ATLANTA FIRE SAFETY CONFERENCE | MARCH 13-14, 2018

ABOUT THE TECHNOLOGY SYMPOSIUM Tuesday, March 13 2018, 8:30 a.m. to 4:30 p.m.

DISCOVER NEW TRENDS, TECHNOLOGY, AND APPLICATIONS! Don't miss the Technology Symposium at the 2018 SFPE Greater Atlanta Fire Safety Conference!

The conference planning committee carefully reviewed and selected speakers and topics through an application process, resulting in timely and relevant programs on fire protection technology with very specific learning outcomes. Speakers will share new trends, case studies, advancements in technology, new or unique applications for existing technology, product demonstrations, and much more!

SCHEDULE AT A GLANCE

TECHNOLOGY SYMPOSIUM SCHEDULE	
<i>Welcome & Introduction</i>	8:30 a.m. to 8:35 a.m.
1 Gas Detection Applications William Sudah, Honeywell Analytics	8:35 a.m. to 9:25 a.m.
<i>10 Minute Break</i>	
2 How to Implement a Dust Hazard Analysis Jason Krbec, CVT Technology	9:35 a.m. to 10:25 a.m.
<i>15 Minute Break</i>	
3 In-Building (Distributed Antenna System) and BDA (Bi-Directional Amplifier) Systems David Tamulevich, Notifier	10:40 a.m. to 11:30 a.m.
<i>Lunch</i>	11:30 a.m. to 1:30 p.m.
4 The ABC's of Automatic Control Valves and Cross-Section Sam Bolt, Harry Warren of Georgia	1:30 p.m. to 2:20 p.m.
<i>15 Minute Break</i>	
5 Water Mist: Past, Present, and Future. No longer Just a Special Hazard System! Derrick Wickersham, Fike	2:35 p.m. to 3:25 p.m.
<i>15 Minute Break</i>	
6 Enhancement to Life Safety and Emergency Communication Systems & Hands-on Demonstration Don Austin, Notifier	3:40 p.m. to 4:30 p.m.
