- List and briefly explain, in the order of your perceived importance, any past experience and/or accomplishments that you feel will make you a more competent fire protection engineer. Your response is not limited strictly to fire protection related interests or activities.
- Describe any work related or personal experience with fire protection, such as, summer internship or volunteer work with a community fire department.
- Which SFPE Chapter are you a member of? Briefly explain how the monthly chapter meetings have influenced your view of fire protection engineering as a career.
- What are your short- and long-term career goals?
- Describe any part time job that you work at while in school?
- Detail any community related activities or volunteer positions.
- Describe how the receipt of this award would benefit you becoming a fire protection engineer, including meeting your financial needs.

IV. Letter of Recommendation

After completing this application, please forward a copy of your Application and Letter of Introduction to your School Advisor, Guidance Counselor, or Program Chairperson for a Letter of Recommendation.

THIS LETTER IS TO BE COMPLETED BY THE SCHOOL ADVISOR, GUIDANCE COUNSELOR OR PROGRAM CHAIRPERSON AND MAILED DIRECTLY TO THE SFPE GREATER ATLANTA CHAPTER SCHOLARSHIP COMMITTEE.

The student named above is applying for a scholarship from the SFPE Greater Atlanta Chapter towards obtaining a fire protection engineering or engineering technology degree. Please provide a separate letter on your letterhead discussing why you feel this individual is deserving of an SFPE Greater Atlanta Chapter Scholarship. Please forward your Letter of Recommendation to the address indicated in the letterhead. This should be postmarked no later than February 28.

- V.** To the best of my knowledge, I meet all eligibility requirements for scholarship consideration and attest that the information provided herein is complete, true, and accurate.

VI. Check List (All items must be emailed no later than midnight EST, February 28)

- Complete and signed Application.
- Letter of Introduction.
- Copy of your most current transcripts.
- Letter of Recommendation from your School Advisor, Guidance Counselor, or Program Chairperson (Sent Separately).
- Follow up with your School Advisor, Guidance Counselor, or Program Chairperson for your Letter of Recommendation before the February 28th deadline. No application will be considered without a Letter of Recommendation.

VII. Legal and Disclaimer:

The Application, Letter of Recommendation, and transcripts will be reviewed in confidence by the SFPE GAC Foundation.

The SFPE Greater Atlanta Chapter and SFPE GAC Foundation reserves the right to use photographs and excerpts from the Letter of Introduction of all scholarship recipients on the SFPE GAC website and mailings.

The Scholarship is awarded annually to persons that are pursuing undergraduate or graduate degrees in the field of Fire Protection Engineering. Scholarships are not automatically renewable from year to year. Submittal of application does not guarantee selection. The selection committee may reject applications that do not contain the requested information. Applicants will be notified of the results by March 31 via their application email address.
