

## Session 2B:

### Flammable and Combustible Liquids Storage, Handling, and Dispensing Requirements

This presentation will cover a brief overview of the applicable codes, standards, regulations, and laws governing the storage, handling, transportation, transfer and dispensing of flammable and combustible liquids within Georgia. The main emphasis will be Rules of the Safety Fire Commissioner Chapter 120-3-11, NFPA 30, and NFPA 30A.

**Jason Pritchett**

Fire Safety Compliance Officer – Hazardous Materials Division  
Georgia State Fire Marshal's Office

Jason has been serving as a Fire Safety Compliance Officer in the Hazardous Materials Division of the State Fire Marshal's Office since September of 2006. In 2014, he also assumed the duties of fire safety engineer responsible for plan review, code interpretation, and application.
