

Seminar 2A:  
Lithium Ion Battery Panel Discussion

---

Casey C. Grant, P.E.,FSFPE  
Executive Director of DSFAE, LLC

Casey Grant is Executive Director of DSRAE, LLC, an independent professional consulting firm with a focus on the design and implementation of research for the fire protection and emergency response communities. In addition, and for topics addressing energy storage, Casey is a Senior Consultant with ESRG, Energy Safety Response Group, an independent professional consulting firm with a focus on energy storage safety and testing, firefighting, training, fire and failure investigation, risk assessment, and hazardous materials.

(<https://www.energyresponsegroup.com>)

For more than a dozen years prior to 2019, Casey managed numerous research projects with the Fire Protection Research Foundation (FPRF), the non-profit research affiliate for the National Fire Protection Association (NFPA). He served as the FPRF Executive Director since 2015, and prior to joining the FPRF in 2007, Casey was the Secretary of the NFPA Standards Council and Assistant Chief Engineer, among other roles at NFPA since 1988.

Casey holds a Bachelor of Science degree from the University of Maryland and a Master of Science degree from Worcester Polytechnic Institute, both in Fire Protection Engineering. He is a Registered Professional Engineer in Fire Protection Engineering in the States of California and Tennessee, and is a member of both the Beta and Gamma Chapters of the Salamander Fire Protection Honorary Society. Casey is a Fellow of the Society of Fire Protection Engineers, a Fellow of the Institute of Fire Engineers, and has one fire protection related U.S. patent.
