

Session 1C:
Being an AHJ in COVID-19 World

Bill Koffel
President
Koffel Associates

Bill Koffel is President of Koffel Associates, a fire protection and life safety engineering design and consulting firm, and is recognized as an expert in the fire protection and life safety aspects of codes and standards. Headquartered in the Baltimore-Washington metropolitan area, the firm provides consulting; engineering design & construction administration; codes & standards development; seminar development & training; product testing & evaluation / representation; and litigation support to public and private clients worldwide. Bill remains active in the development process of the industry's governing codes, standards and design guidelines including International Code Council (ICC), NFPA, Society of Fire Protection Engineers (SFPE) and Underwriters Laboratory (UL). He is a member of many NFPA Technical Committees including the NFPA Technical Committees responsible for NFPA 3, 4, and 25 and the Technical Committee responsible for a proposed new NFPA standard, *Standard on Remote Inspections*. He also represents the Glazing Industry Code Committee on the NFPA Technical Committee of Fire Doors and Windows. A former code official with the Maryland State Fire Marshal's Office, he is a Past President of the SFPE.
