M [619.884.6360](tel:619.884.6360) E ryansandler@adt.com W www.adt.com/commercial

Powered by Experience. Driven by Excellence.™

Ryan began his career in the life safety industry in 2004 while working for Fire-Lite Alarms as a Regional Manager for the West Coast. In 2009 he joined the Siemens Value-Added Partner channel as a Territory Manager for the West. While with Siemens Ryan became active in the codes and standards community. In 2013, Ryan joined the Xtralis team as Director of Sales, Western United States and in 2016 took on a role of Director of Addressable Advanced Detection, Americas, while launching a new technology in VESDA-E VEA. Then in 2019, Ryan joined the National Fire & Life Safety Team (NFLST) of ADT Commercial as Director of Industry Affairs, Training & Support, while managing the NFLST Fire Design team and leading the organization's commitment to industry codes and standards. Ryan is NICET certified, a member of the ICC FCAC working groups, and active member in the NFPA Technical Committees
