

Session 1A:
Copenhagen Stock Exchange Fire

**Brian Meacham, Ph.D., P.E., CEng (UK), EUR ING, FIFireE, FSFPE
Director, Risk & Regulatory Consulting Crux Consulting**

Brian is Director of Risk & Regulatory Consulting at Crux Consulting. He develops risk-informed performance-based solutions to complex building, infrastructure and fire safety management challenges, provides peer-review services, and conducts building and fire regulatory system studies. He also undertakes research in these areas as well as in sustainable and fire resilient built environments, fire safety technologies and sociotechnical systems approaches for fire. He has undertaken work for government entities, the private sector, and NGOs around the world. Brian serves as Trustee and Immediate Past Chair of the International Association for Fire Safety Science (IAFSS) and Chair of the Code Development Committee for the International Code Council (ICC) Performance Code. He is a past Chair of the National Fire Protection Association (NFPA) Technical Committee on Fire Risk Assessment Methods, a Past President of the Society of Fire Protection Engineers (SFPE), a past Chair of the US TAG to ISO TC92 TC4, Fire Safety Engineering, and a past Chair of the Inter-jurisdictional Regulatory Collaboration Committee (IRCC). Brian is a licensed Professional Engineer in Connecticut and Massachusetts, a Chartered Engineer and Fellow of the Institution of Fire Engineers in the UK, a registered European Engineer, a Fellow of the Society of Fire Protection Engineers, a Fulbright Global Scholar, and a Fulbright Specialist.
